

Chuckwalla?

Posted by capt squid - 13 Nov 2012 21:53

Hi Guys,

There will be at least 3 of the 944 SoCal cars at Chuckwalla for the Dec 1-2 race, maybe more if our fence sitters come.

Hope you all can make it. Looking forward to seeing you again.

Hey Jim, we should have 6 or 7, maybe more, I have a blown motor, so hopefully the new one will be ready to race by then. The following weekend at Chuckwalla is the 24 hours of Lemmons, I will be driving in that for sure, so hang out for the week! Looking forward to seeing you, who are the other 3 coming out?

Norm, hope you get your engine back together in time to join the fun.

We should have Tyler, Tom A, Jim Hicks and myself. Those on the maybe list: our fearless leader Everett, Peter B., John N. and Tim C.

Does Chuckwalla have a practice day on Friday?
