PCA SAR DE at Arroyo Seco Raceway

On February 19/20, 2011, The Southern Arizona Region of PCA will hold a two-day Driver Education event at the 1.4 mile Arroyo Seco Raceway in Deming NM. We will use the track in one direction on Saturday and the other on Sunday with a chalk-talk proceeding each day's activities.

Links are provided on [http:// pcasar.com /](http://pcasar.com/) for event information, registration, directions, hotel/restaurant info and more. We will assign instructors for all novice drivers. Other drivers can seek help or driving tips for the asking.

These events are **NOT** limited to PCA members.

Send a note if you have questions. Meanwhile, stop by and have a look at the video... If you haven't been to ASR here's a page with details about our events here, track map, **in-car video**, and a detailed, corner-by-corner driving-hints page.

Thanks for looking, see you at the track:
