PCA SAR DE at Arroyo Seco Raceway

On February 19/20, 2011, The Southern Arizona Region of PCA will hold a two-day Driver Education event at the 1.4 mile Arroyo Seco Raceway in Deming NM. We will use the track in one direction on Saturday and the other on Sunday with a chalk-talk proceeding each day's activities.

Links are provided on http:// pcasar.com / for event information, registration, directions, hotel/restaurant info and more. We will assign instructors for all novice drivers. Other drivers can seek help or driving tips for the asking.

These events are NOT limited to PCA members.

Send a note if you have questions. Meanwhile, stop by and have a look at the video... If you haven't been to ASR here's a page with details about our events here, track map, in-car video, and a detailed, corner-by-corner driving-hints page.
