Oct. 25-26 Porsches at the Point event at Infineon

Posted by pixrken - 14 Jul 2008 11:32

NorCal will be adding the PRC's *Porsches at the Point* event to our schedule October 25-26 2008. Since this event is added mid-season you can race either the Oct 4-5 race at Thunderhill backwards or the October 25-26 race at Infineon. You can race both but only one October race will count for points.

The *Porsches at the Point* is a special Porsche only event.

NorCal 944-SPEC will be using this as a feature CASH race event starting next year and working towards a 944 only run group.
