---

Hey guys, wasnt sure if everyone was planning on pitting together as a group. If so can you please save space for me? What time/day is everyone rolling?

I'll be arriving Thursday, not sure exactly what time.

Am i reading the information right that family (wife and kids) need crew passes if they are staying with us in the RV?

Also there is a \$100 camping fee, did I miss that before?

I assume not kids - they normally don't charge us for kids.

Can everyone post if they have extra crew passes (you get 2 included with your entry) that they want to share. Unfortunately I have 2 people coming so I can't share but I don't need any extra unless they count kids.

And that is the first time I've seen the \$100 camping fee too. That's steep. I hope they don't try to ding me for the little living area in my trailer. I'm not staying at the track so I'd fight that one pretty hard.

Assuming they are not counting kids. I need one, as I have my parents and wife.

It would be great if someone has a spare.

My bet is they did not get all the entries they hope for so they are trying to make a little more money with this late "fee". When they have never charged for camping at this track.

They have charged for camping at every National I have been to. So not a new thing. There was an option to pay for camping at sign up.
