

Cookie Cutters wanted....trade for Fuchs?

Posted by Jump07 - 15 Apr 2008 06:38

I want a set of 15" Cookie Cutters, hopefully with good condition Toyos on them. I'm looking to trade my 16" Fuchs for 15" rims/tires and some cash...depending on the condition of your wheels/tires. Thanks.

They are shown in the pic of my car on the 944spec.org drivers listing and in this pic...
