

Videoing at Laguna

Posted by norman#99 - 16 Jun 2013 10:48

I just watched "Highlights of the Southern California 944 Spec class at Fontana on July 31st and August 1st 2011", video for the 10th time, that was so well done! Is it doable to do a similar video for the July 6,7 race at Laguna? A dozen cars on a great track, could be entertaining!
