NASA races in July Posted by dancing944 - 26 Jun 2014 06:29

I tried to post something yesterday about the upcoming race at Laguna Seca. I included a picture from the exciting start of one of last year's races there. Not sure what cyber hole that post fell into.

Anyway, we have two events coming up in July. July 12/13 is our only race of the year at Willow Springs Raceway. Then July 26/27 is our only race of the year at Mazda Raceway Laguna Seca. It's an exciting and fun month.

I'm not sure of the car count at WSR, but I know we already have 15 signed up for MRLS. If you haven't done so yet, make sure you sign up. July 2014 is sure to be a month to remember for 944 Spec racing in So Cal!
