Okay, so only a short time until we're racing again at Buttonwillow. Who's in?

Fred and I can most likely help on pitting for the enduro, Jim!

I plan to be there Friday afternoon.

And I should be able to help with the enduro as well.

I will there for HPDE (hope to keep the car running long enough to get checked out to move to TT:))

I'll roll in Friday afternoon.

No kids this trip, so I'm open to help as well.

See you all then!

Just want to say again that I really appreciate the great job everyone did this past weekend. We have a great group of drivers on the track, and a great group of people off the track. I'm looking forward to the videos of some very exciting racing.
