---

The next Porsche ONLY Swap Meet will be held on Sunday June 11, 2017 from 8:00 AM until 1:00 PM with vendor set up beginning at 6 AM.

NEW - We will also be having an Open House at Autos International, just across the street from the Swap Meet. Autos International is a Premier manufacturer and installer of Porsche Interiors.

Vendors please call as soon as possible to reserve a spot – AND to give us an idea of what type or vintage parts you will have. We have had lots of requests to know what might be there in the past. We will send additional email blasts close to the event to tell the buyers what will be there. This is an additional marketing tool for you to help sell any rare or unusual parts or cars that you will be bringing.

We already have 3 vendors committed to bringing 944 parts!

If you would like to be added to our direct mailing list, please email me (Chuck) at the email address below.

Also, feel free to post what you will be bringing here!

Fred and I are wanting to come to offload a bunch of 944 parts. Rear seats from an '84, turn signals, door glass. Everything we have will be MEGA cheap!
