So far I see Tom, Tony, Jim and I signed up. Who else is going?

There are several more of us, but we used the "pay a deposit up front and the rest later" option. Apparently, we do not get listed as entered in class. Same happened last year, but this year, look under the class "Race" and you should find us.

Patrick Sloan, Greg Sharp and Chuck Sharp are in there.

For some reason, you are entered twice. I didn't know you could drive two cars at once. You are certainly talented!!!

Where did you find an entry list Chuck?

Well, on the registration page, there was an "Entries" button. Since then, it has disappeared and the list has been missing.

As of this morning, when you go to the West Championships registration, there is a new button under the Registration button for "West Entries". Now it shows all of us, including those who chose the "Deposit" route.

So, only 7 registered for 944 Spec. Only one from NorCal is my son. Only from AZ is JP. Five from

SoCal.

I think Marcel is planning to go as he ran the NorCal event at T-Hill earlier this month. That is still only 8.

Where is everyone else?
