

NASA Race - Willow Springs - March 10-11

Posted by ChuckS - 22 Feb 2018 15:38

Haven't seen any activity here yet.

Only 4 of us have registered as of Thursday Feb 22.

To pay the lowest price, you have to register by Friday night Feb 23, so get registered soon!!

So, who is going?

I think I just counted nine entries.

Chuck, me, Everett, Simon, Marcelo, Tom, Joey, Clay, John. Not sure if Patrick is coming and I know Richmond is not.

It's a little early but we should figure out where we should set up camp in the paddock. I'm planning to arrive around 2 or 3pm Friday though I probably could make it even earlier.

There is an Enduro going on Friday night, so a lot of big rigs and people will be there early. Might make it hard to get us all together.

Two years ago, 7's Only was there early and was able to set up a compound that was great. Don't know their plans, but it might be hard to reserve a big enough spot.

In my opinion, the best spot is to the right of the entry road, immediately behind the bathroom, cafeteria, meeting room area. ie where we were two years ago.

Their rig is so big that if we are to be all together, it needs to be located first, then we can all be around it.

If not, we only have to reserve enough for 6 or 7 car/rig spots.

We probably can't get there before 3 or 4 pm.

I didn't know about the enduro. I might try to get there earlier and look for space in the area you suggested, Chuck.
