

NASA Race - Willow Springs - March 10-11

Posted by ChuckS - 22 Feb 2018 15:38

Haven't seen any activity here yet.

Only 4 of us have registered as of Thursday Feb 22.

To pay the lowest price, you have to register by Friday night Feb 23, so get registered soon!!

So, who is going?

Cool. I will text Everett and ask him to find out what time 7's Only plan to arrive and where they plan to park. Hopefully between the two of us, we can save some space for others, especially Simon.

I will ask if 7's Only can rope off a place for us. I can tell them 11 cars with one other sizable rig. The last several years they have parked across from bathrooms and cafeteria area in the middle

Tom,

I really like that location (two years ago).

Simon (Other BIG rig) is planning on arriving in the early afternoon.

Depending on when Tom D arrives, They could possibly rope off a big area and bookend it with their

rigs.

Also, add Joe B. to the list!

I think we are up to 12 now!!

Wow, 12 entries, good contingencies and a healthy field. Very exciting. We will probably pit over by the T/S tower, by the end of the grid/ tire shop. I will be with Gian Bowles(who I'm trying to get into 944spec) and Derrin Griffin, as they provide accommodations, and plenty of ridicule, lol. It's just who I've been with the last 12 years or so. I still love all you guys and gals!

Excellent, Tom. Once we know about what time 7's Only is showing up, I'll adjust my arrival time to coincide with theirs. Thanks for letting us know your plans Joey, this way we have a better idea of how many spots we need.
