

Roll call- Buttonwillow

Posted by reflexr - 15 Apr 2018 09:18

Since the entry list is not up on the NASA website, I thought I'd put this up.

Fred and I are coming, with the wife and kids coming up Saturday after they go to CFS with the 911.

We will be putting over by the fuel depot in our usual spot with Gian Bowles and company.

Looking forward to the weekend!

Debby and Chuck will be there.

Just learned that Jerry D will not be there.

I had heard the same about Jerry, he will be missed! The entry list posted. So far 9 entries(subtracting Jerry).
