

FS: 86 spec 944 car in SLC, UT \$5500 with trailer!

Posted by Skimr2 - 16 Sep 2011 16:26

Thanks for looking. I have a spec 944 car that I can no longer afford to operate, and would like to pass on to someone that can stretch it legs out more often than I.

Please see links to ads I have on the UtahSCCA board, as well as the local classifieds. I can be reached at parkermcbrier at yahoo.com or by phone at 801 403 6111. Thanks!
