

WTB 944 sp1 track car

Posted by burtonboard180 - 03 Sep 2015 05:15

Hi,

I'm looking to buy a sp1 944 track car something that is basically race ready. I live in NY so preferably looking for a car that is located in the northeast. Thanks

Andrew

HimAndrew,

I know I am not in the NE, but I did grow up in NJ. Hopefully you saw the ad for my SP1 car!

Call or email if I can answer any questions?.....

Bill

Yes I have seen your car for sale. If only you still lived in NJ. That's a heck of a deal for \$8,500
