Posted by manydubs - 15 Oct 2010 11:48

For sale: 1984 Porsche 944

Mileage: 90,500

Exterior color: gold

Interior: brown/burgundy cloth

Transmission: Manual 5-speed

Clean carfax, no accidents

Maintenance and new parts (within the past 500 miles):

(4) New Goodyear Eagle GT tires: 215-60-15

BBS wheels

Water-pump, timing belt, balance shaft belt and oil seals were replaced

also replaced the tensioners and rollers at that time (this is the most critical service for these cars)

New Front Control Arms, bushing and mounts

New Distributor Cap, rotor, spark plugs, fuel filter and air filter (OEM paper filter) – Everything is original equipment manufacturer (OEM)

Both CV axles completely replaced with low mileage units that were inspected, rebuilt and repacked with CV grease

New front Mintex brand brake pads and recent rear pads

Engine Oil & OEM Mahle filter changed, power steering fluid replaced and manual transmission gear oil drained and replaced

Front hood shocks

Shift boot

Sun visor clips

Battery replaced by previous owner and is in good condition

All electronics work, lights, mirrors, sunroof, etc..

Bad: A/C compressor leaks

Small tears in driver seat backing

The clock is acting a little flaky however
