

4 Brand New Shaved Toyo RA-1 Tires size 225/50/15

Selling a set of 4 brand new shaved Toyo RA1 tires size 225-50-15. These were always stored indoors under a plastic cover. The production date on the tires is 2010. They have never been mounted. These sell for around \$200 each when you factor in shaving and shipping. I am only asking \$600 for the set of 4 race tires. I would prefer local pickup from my shop in San Leandro, CA. Sold yet? Any chance that you'll be going to the California Festival of Speed next weekend (20-22nd) ??

I won't be there but I could pay you and have him take them if you'll be at the track.

I am in Northern California and will not be going to that event. Shipping to SoCal might be reasonable. Email me if you are interested. Thanks.
