Clearing out some garage space.

I'm in GA near the Chicken Shack and would rather deal local for this stuff.

Late offset 15x7 phone dials with dead tires mounted - \$180

Weltmeister sway bars, front and rear, complete with all bits - \$600

MSDS headers, full Lindsey " exhaust including cat and cat delete pipes, Borla muffler - \$600

Spare head from 87 - \$150

Cam tower/cam/lifters - \$100
