

1988 924 S engine for sale complete

Posted by boostfeen - 05 May 2010 01:42

Complete engine still assembled from a 1988 924 S! Comes with wiring, DME computer, exhaust, intake, clutch, fuel rail, all still attached from a 140K mile 1988 924 S. This engine has the 10.5 to 1 pistons and wiring to bolt right into any early 944.

\$900 plus shipping which is around \$250 to east coast

Thats a heck of a deal. Did you do a leak down? Any numbers to support the condition of the engine would really help sell it.

I do need a spare DME for an 88 924s. So if you have an extra let me know.

Thanks,
