

Short 5th gear for sale \$125 rennlist members area

Posted by joepaluch - 01 Jun 2011 07:57

short 5th gear pair from a 951 for sale in rennlist member to member area.

Price is \$125 and good deal. You must be rennlist member to view the link

forums.rennlist.com/rennforums/for-sale-...pped-to-us-48-a.html

Users should PM "xschop" on rennlist to contact the seller if you are not a paid rennlist member.

Thanks, Joe!

I need this for the new car. The tall 5th didn't cost much at Putnam, but it would be a killer at Road America! I picked these up.

Glad to see one of us got it. I was tempted to buy it myself and sell it back to a 944spec guy just to be sure we did not lose these.
