

944 Spec.org logo

Posted by Timwold - 18 Jan 2013 18:31

Does anyone have the logo in a digital format they can email me?

Todd Imwold

I'd be interested too. I'll give it to my decal guy so he can make me one.

Thanks,

Ken

I have both PDF and AI files of the logo. Most print shops use the AI (Adobe Illustrator) file. If need another format then let me know.

PM me and I will email you the files.

Fred-

Sorry to reply to an old post, but do you have a logo file you can send me to
