

Need Yellow Toyo Tires sticker

Posted by Timwold - 22 Mar 2013 12:39

I need the larger yellow toyo tires sticker. I am upgrading the appearance of the race car and that means a new fron fender. I need to toyo sticker to maintain the required 4. please respond if you have an extra one or two.

Quickest way to add that last little bit of HPs and TQs is to add more stickers. I think HP added this way is exempt under the new dyno rule.
