

WTB - transmission for late model 944

Posted by 400HP944 - 22 Apr 2014 15:17

Looking for a local (San Diego) with a tranny for sale. Would prefer late model with elec. speedo. Mine chunk'd some gears. Need this right away if possible. Race coming up May 1st. Found one in LA but sold before I could grab it. I can swap my LSD and short 5th. Thanks!!!
