

944 classifieds website

Posted by Cozzy944 - 06 Nov 2016 21:24

Hey Guys!

I've created a 944 classified website to make buying/selling a little easier. I got tired with Ebay and Amazon because of the fees. and unlike Craigslist you don't have to scour through every town and state to find parts/ cars. free to use, check it out!

Cool!

Great idea!

Thanks for posting!
