WTB Race Ready Spec 944 Car for Next Season Posted by Omn3d0n - 27 Jan 2009 11:36
Hi Everyone,
I am planning on trying to run in the midwest spec 944 series and would
like to purchase a race ready 944 with the following since i don't have
time to build. The following would be nice to have, but something close
would work.
1. Welded roll cage with side bars
2. Engine rebuilt in last 1-2 years
3. Fully upgraded suspension bits (including bushings)
4. LSD
5. Short gear 5th
6. Street Legal
7. Interior painted
8, Color - does not really matter, but not red would be nice
I really would like it to be street legal since I can easily
drive to most of my potential events in the midwest.
I don't mind if the car is not in the midwest
Thanks
Sid
