

Registration Open! May 4 & 5-NOLA Motorsports Park

Posted by early70scamaros - 07 Mar 2013 18:23

Registration is now open for our second track event of the year "CarDi Gras at NOLA Motorsports Park" in New Orleans!

Here is the link: nasaproracing.com/event/1570

This is a joint event with the NOLA and Texas regions so there should be a fun time for all!

We will have HPDE 1-4, Time Trials, and Racing and we will be running the 2.75 mile track configuration.

On-site camping is available and we are verifying if there is any charge.

No official NASA hotel, but here is a link to a list generated by the track: www.nolamotor.com/download/recommended-lodging.pdf

Thanks for supporting the Mid South region and feel free to post questions or email me at staylorATdrivenasaDOTcom.

Laissez les bon temps roulez!
