Welcome! When you gonna join us in Spec 944? We're racing out in South Haven (Gingerman) in late June. Come say hello and meet the group!

I'd love to but its in pieces (lifter tick) along with trying to get it all together. Just bought it a couple months ago. I might come on up there to watch though that sounds fun!

Schedule is here: <http://www.nasamidwest.com/>

Welcome aboard. We have a great, and growing group of racers in the Midwest, as well as a ton of knowledge and spares. Hope to see you at Gingerman june 21st!
