Great race!!! The announcer was having a hard time with names, which made this really commical, there are drivers named Joe Hamden, Norman Buzzetti, Charles Hamden, Foxx was driving about 3 cars at the start, viewers won't know the difference but wow, fun to watch everybody raceing really clean with lots of passing!!!

WOW!!!!!!

Really great race to watch.

944Spec racing is the best!!

Great Job by all the racers.
