Hi everybody, my name is Peter and I trying to come back to racing after 6 year brake. I dont have a lot of money to spend on it so it gonna be a budget build for now. My main goal is to get a racing license and start at couple races.

I bought a car for 500\$ in SC payed 500\$ to ship it to chicago. I spend for parts near 800\$ and still have a lot of things to buy. If anybody have a set of used proxes for sale let me know, i want to come to next HDPE event in joliet on 26th.
