

2008 Highlights Videos

Posted by Weston - 01 Nov 2008 15:44

For those who missed the banquet, or just want to see it again...

YouTube

Windows Media

[Highlights](#)

[Outtakes](#)

I wanted to put them on my iPhone, so I had to convert them to Apple-friendly formats. Mac users should have better luck with these...

H.264 MPEG-4 / QuickTime

[Highlights](#)

[Outtakes](#)

iPhone / iPod

[Highlights](#)

[Outtakes](#)

I also have a few extra copies on DVD if anyone wants one...
