

Pit Bull Brawl - CMP - May 17-18

Posted by AgRacer - 23 Apr 2014 10:27

3 weeks out from my closest race, wanted to see if anybody else was planning on going. Only 2 signed up right now. Yet another track I haven't been to before in this car. I'm up to 10 tracks I've raced at in this car in 2 years, not one of them twice.

1. Hurley

2. Stanley

3. Evans

4. Barber

5. Yousko

6. Duffy

I'll be there, just making sure I make it through the Memphis race this weekend before signing up.

Made it through Memphis fine, just signed up.

Awesome! This track is the closest to me so I'm looking forward to a short tow there and back. Unfortunately, I decided to schedule night operations next week, so I might look even more pale and like a zombie out during the day that weekend.

Looks like Joel Barber has signed up- anyone heard from Pete?

CMP is pretty close to him.

Haven't heard from Pete. Don't think I've seen him post on here and I don't have his contact info otherwise.
