Pit Bull Brawl - CMP - May 17-18 Posted by AgRacer - 23 Apr 2014 10:27
3 weeks out from my closest race, wanted to see if anybody else was planning on going. Only 2 signed up right now. Yet another track I haven't been to before in this car. I'm up to 10 tracks Ive raced at in this car in 2 years, not one of them twice.
1. Hurley
2. Stanley
3. Evans
4. Barber
5. Yousko
6. Duffy
Posted by Brian Evans - 23 Apr 2014 11:59 I'll be there, just making sure I make it through the Memphis race this weekend before signing up.

Awesome! This track is the closest to me so Im looking foreward to a short tow there and back. Unfortunately, I decided to schedule night operations next week, so I might look even more pale and like a zombie out during the day that week end.

Haven't heard from Pete. Don't think I've seen him post on here and I don't have his contact info otherwise.
