

Just Track It - Summer Schedule

Posted by Stetson - 07 Jun 2016 03:52

We've got our summer schedule up for any of you that want to come out, work on your driving, learn a new track or just have a good time. We are also always looking for qualified instructors so if you have completed an instructor school let us know you want to join the Just Track It team.

We organize our events so you can maximize your seat time for your driving dollar. If you have never driven with us - I promise it will be a great time, if you have driven with us in the past come back and see us:

July 2nd - Atlanta Motorsports Park

July 30-31st - Road Atlanta

August 27th - Atlanta Motorsports Park

September 24-25th - Barber Motorsports Park

Come on out, burn some rubber and make some noise. Additional details on all our events, sponsors, and partners can be found at justtrackit.net/

See you all trackside!
