

Registration Open!

Registration is now open for the Eastern States Championships being hosted at VIRginia International Raceway! If you haven't been to this track yet, it is amazing fun in our cars and should provide for some great racing. Garages are available unlike last year at Road Atlanta and are currently open for registration, however the reserved pit spaces are not yet open for registration. I think they are still working out the parking plan for the limited paved paddock space that is available close by. The price schedule for entry is as follows:

Racing

- \$699 through May 31st
- \$749 through June 30th
- \$799 through July 31st
- \$899 in August

- \$399 "Supersize" fee for second race or TT entry will open August 1st if space is available.

Time Trial

- \$449 through April 30th
- \$499 through May 31st
- \$599 through June 30th
- \$699 in July

Time Trial Friday Test/Tune: \$199 - This is for Friday Test/Tune for TT entrants. Because TT competition does not start until Saturday, the test group for them will be on Friday.

Garages

- Cost \$799
- Other parking details TBA soon!

Crew Passes

- Two Crew passes are included with each full entry.
